- Socia media marketing Mastery (8hs) - Udemy

MY PROFILE

When Flash was still a thing I worked as a developer but decided to focus on music production. Now I am back to follow my other passion: Coding.

I am a task oriented person, perseverant and straightforward. Therefore honest feedback, patience and good humor are important when working.

I am looking for a stable position to learn new technologies and establish myself as a full stack developer.

EDUCATION

2021 - 2022 in DCI - Digital Career institute
- Full Stack MERN Developer Program
- Basics of algorithms and data structures and used OOP in JavaScript
- Class representative and tutor.

2006 - 2007 in Microfusa (Barcelona)
- Sound technician focused on studio recording.

HOBBIES
